

# Daguerre Canvas Smooth

## Canvas FineArt

420 gsm, Poly-Cotton, bright white

## Product Description

Hahnemühle Daguerre Canvas Smooth is a matt-coated inkjet canvas made from mixed polyester-cotton fabric. The bright white canvas with a smooth, refined surface texture ensures vibrant color reproduction and deep, rich blacks. A combination that delivers exceptional contrast and detail precision. Acid- and lignin-free, Daguerre Canvas Smooth meets the highest standards for age resistance, guaranteeing long-lasting prints. Despite its heaviness, the canvas is elastic and is highly compatible with canvas stretcher frames, offering durability and flexibility without compromising print quality.

## Applications

Photographic and fine art reproduction complying with highest archival standards, digital art, black & white and colour photography, limited edition prints and exhibitions.

## Technical Specifications

	Unit	Valuation	Based on Test Norm / Notes
<b>Test Conditions</b>			23°C / 50% R.H.
<b>Weight</b>	gsm	420	EN ISO 536
